

# RESIDENTIAL STREET REHABILITATION, I-94 (AREA C)

## Notice of Paving

Dear Business Owner/Homeowner/Resident:

CITY OF TORRANCE

This Notice is to advise you that we will be grinding and paving a section of **Crenshaw Boulevard just south of Carson Street** on **Wednesday, October 1st and Thursday, October 2nd**. This work is necessary to repair pavement damaged from a previous water main break. The normal work hours are from 9:00 a.m. to 4:00 p.m., weekdays only.

### TRAFFIC IMPACTS:

Delays are expected.

Crenshaw Boulevard will be reduced to one lane of through traffic in both directions between El Dorado Street and Plaza Del Amo during working hours.

### SPRINKLERS:

During the roadway paving process, beginning on Wednesday, October 1st, we ask that you do not use your sprinkler system and/or not water your lawn. Any water that drains into the construction area can damage the new pavement.

**If you have any questions about the work, please contact the City's Project Engineer. We thank you in advance for your cooperation in assisting us in the successful completion of this phase of the project.**

Please see an additional Public Awareness Notice on the back.

CITY OF TORRANCE

### PUBLIC AWARENESS NOTICE

This Notice is to raise public awareness of individuals currently impersonating and/or falsely identifying themselves as City of Torrance employees and/or construction workers for the City's construction project to repair sidewalks in North Torrance. These individuals may have been wearing a colored construction vest and hardhat. We believe these individuals have intentions of attempting to gain access to your private property and/or your home.

**Be advised that City of Torrance employees and legitimate construction workers WILL NEVER request access to your home or backyard for this project. Our work area is restricted to the public right-of-way in front of your home or property. If you are approached by any individuals (male or female) wearing a colored construction vest, and asking to enter your home or property, DO NOT allow them access.**

City of Torrance employees will always be wearing a colored construction vest and have a City identification badge and business card. Our employees will always identify themselves so that you may view their identification badge and obtain a business card. The only City employees assigned to this project are Lauren Sablan and Elizabeth Overstreet. We also have hired a contract inspector named Ron Brahs from Onward Engineering.

**If anyone other than these 3 persons approaches you and asks for access to your home or property, please dial 911 immediately. This is part of the City's "See Something, Say Something" efforts to keep our neighborhoods safe. Thank**
